What we do...

The better question is, What don't we do?

- We plan
- We fabricate
- We install
- We supply
- We support

In short, we provide the total package to make your office environment the best that it can be.

BGI Interiors

BGI is a full-service custom design, fabrication and installation firm capable of producing millwork, cabinetry and fixtures for any business or commercial setting.

Since 1985, BGI has been serving Western New York with all of its millworking needs. BGI can find a way to make anything work. With our ability to use numerous materials and our professional custom millwork shop, whatever you need is just a dream away.

BGI is unlike any other full-service custom woodworking company in the area. Our craftsmen who design and build your pieces also install them. That means that you will get quality products and installation each and every time.

We have established a strong base of regular customers including M&T Bank, Ryerson Steel, Park Associates, D'Youville College, Rich Products, Moog, and McGard. Our customer base and business volume are growing and we would appreciate the opportunity to describe further how BGI Interiors can benefit you and your business.

Office Furniture Center

Office Furniture Center offers a huge selection of high quality, functional and attractive office furniture delivered and installed for a reasonable price.
